

RADIO STATION PROJECT

L'art de Canals represents different attitudes of humans. L'art de Canals is a concept for people who want to discover different canals of themselves. This collection gives an opportunity to humans to select which part of themselves they want to evolve or discover or do they want to continue their attitude cause they are all ready in love with themselves?

L'art de Canals presents three attitudes, these are CANAL NOIR, VERT AND MARRON. This collection includes every canal inside as looks. It's a fashion radio canal for humans, you can choose between these three canals (Attitudes) according to your mood. You can discover and feel the emotions while you are wearing the collection. The beauty of the canals that you can be every attitude at the same time or if you want you can choose a certain canal to be in. All you have to do is turning your canal on and discover...
